++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers, these heavy and thundery at times.

Today:
Sunshine and scattered showers with some heavier downpours possible and the chance of hail and thunder. Breezy at times but feeling pleasant enough in the sunshine. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers gradually fading through the evening until only isolated ones along the coast remain overnight. Feeling chilly under prolonged clear intervals but turning more widely cloudy in the early hours. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Quickly turning wet and windy in the north, with strong gusts developing, though rain turning patchier in the afternoon. Elsewhere, largely dry and breezy. Feeling milder than Monday for all. Maximum temperature 16 deg C (61 deg F).

Outlook for Wednesday to Friday:
Unsettled second half of the week in the north and west. Greater chance of staying dry in the south and east, but widely wet on Friday. Everywhere rather mild throughout.
